# Environ Collagen Stimulation Therapy

Harness your body's natural powers of healing to tighten skin and achieve incredible results **£275.00\***

The body responds to CST in the same way it would react to an injury. The small amount of bleeding caused during treatment releases powerful growth factors which are part of a natural healing response, resulting in increased collagen and elastin production.

*\*£275.00 per treatment. Buy 4 get 2 free as a course of 6 is recommended for optimum results for ageing skin. One-Off treatment recommended for younger skin with some pigmentation, blemishes, uneven complexion and fine lines.*
